

SB110 v8.7: Contents

Introduction: Welcome	xv
About This Book.....	xv
Course Prerequisites.....	xv
Book Organization and Sequence.....	xvi
Part I: Sibelius Fundamentals II, Day 1.....	xvi
Part II: Sibelius Fundamentals II, Day 2.....	xvii
Conventions and Symbols Used in This Book.....	xvii
Computer Keyboard Orientation.....	xviii
Three Main Sections of the PC/Windows Computer Keyboard.....	xviii
Three Main Sections of the Mac Keyboard.....	xviii
Missing a Numeric Keypad?.....	xix
Understanding Shortcuts and Shortcut Modifiers.....	xix
How to Use Shortcuts.....	xx
The Avid Learning Partner Program.....	xx
Sibelius Curriculum and Certification Levels.....	xx
User Certification.....	xxi
How Can I Learn More?.....	xxi
Downloading the Media Files.....	xxi
Sibelius System Requirements and Installation.....	xxi
Upgrading Information.....	xxi
Avid Application Manager.....	xxi
Sibelius 8.7 Minimum System Requirements.....	xxii
Windows.....	xxii
Mac.....	xxii
Sibelius Subscription and Licensing Options.....	xxii
Part I: Sibelius Fundamentals II, Day One	1
Lesson 1: “Review + New” – Part 1	3
Interface Reminders and Tips.....	4
Save As.....	4
Preferences.....	5
Playback.....	5
Transposing Score Versus C Score.....	5
Magnetic Layout.....	5
The Escape Key.....	5
Play/Pause/Stop.....	5
Zooming.....	5
Navigation Options.....	6
Selection.....	7
Deleting Objects, Bars, and Staves.....	8

Creating a New Score	8
The Unnamed (Treble Staff)	8
Adjustments to the Score After It Is Created.....	9
Inputting Important Text Styles After the Score Is Created	9
A Brief Note About System Object Positions	12
Note Input–Review	13
Review/Discussion Questions.....	14
Lesson 2: New Methods of Note Input.....	15
Keyboard Panel.....	16
Overview of the Keyboard Panel.....	16
Note Input with the Keyboard Panel	17
Inputting Intervals and Chords Using the Keyboard Panel.....	17
QWERTY Input Mode.....	17
Following During Playback.....	18
Closing the Keyboard Panel.....	18
Fretboard Panel.....	18
Overview of the Fretboard Panel	18
Note Input with the Fretboard Panel.....	19
Inputting Intervals and Chords Using the Fretboard Panel.....	20
Following During Playback.....	20
Closing the Fretboard Panel.....	20
Inputting Notes into a Tablature Staff.....	20
Step-Time/Alphanumeric Tablature Note Input.....	21
Guitar Slide Symbol	21
Guitar Bend Symbol.....	22
Tablature Staves and Copy/Paste.....	22
Flexi-Time.....	22
Adjusting for Latency Prior to Flexi-Time Input	22
Flexi-Time Options	23
Flexi-Time Options: Flexi-Time Tab.....	23
Flexi-Time Options: Notation Tab.....	24
Flexi-Time Recording: One Staff at a Time.....	26
Flexi-Time Recording: Two Adjacent Staves at Once	27
Cleaning Up Your Flexi-Time Note Input.....	28
Re-Input Pitches.....	28
How to Re-Input Pitches	29
Review/Discussion Questions.....	30

Lesson 3: Introduction to Multiple Voices	31
Introduction to Multiple Voices (Voices 1 and 2)	32
Maximum Number of Voices Per Staff.....	32
Stem Direction of Notes in Multiple Voices.....	32
The Order of Voices on the Staff	32
Voice Colors.....	33
Getting Started With Multiple Voices (Adding Voice 2).....	33
Correcting Mistakes in Voice 2 During Note Input.....	34
Entering into Voice 2 After You Have Escaped Out.....	34
Selecting Notes and Objects in Specific Voices (Filtering).....	35
Review/Discussion Questions.....	36
Lesson 4: “Review + New” – Part 2	37
Tuplets.....	38
Inputting a Simple Triplet (Review)	38
Sticky Triplets.....	38
Slurs.....	39
Inputting Slurs During Note Input.....	39
Hairpins.....	40
Inputting Hairpins During Note Input.....	40
Keypad Layouts.....	40
Navigating Through the Keypad Layouts.....	40
Keypad Layout #1 (Common Notes).....	41
Keypad Layout #2 (More Notes).....	41
Keypad Layout #3 (Beams/Tremolos).....	43
Keypad Layout #4 (Articulations).....	47
Keypad Layout #5 (Jazz Articulations).....	47
Keypad Layout #6 (Accidentals).....	49
The Symbols Gallery.....	49
The Sibelius ABCs.....	51
Adding Bars	52
Changing Barline Styles	52
Cut/Copy/Paste/Repeat	53
Cut, Copy, Paste and Repeat (Review)	53
The Sibelius Quick Copy (Review).....	53
Multicopy.....	54
Copy a Single Object and “Multipaste” the Object Using a Single Paste Command	54
Copy Multiple Objects and Paste Them Across Any Number of Staves Vertically.....	54
Copying and Pasting Multiple Objects Horizontally	55
Multicopy/Paste Musical Passages.....	55
Review/Discussion Questions.....	56

Lesson 5: The Transpose Feature	57
Changing Key Signatures Without Transposing Notes.....	58
Transpose Notes Without Changing Key Signatures.....	59
Transposing an Entire Score into a Different Key.....	61
Transposing a Section of a Score into Another Key.....	62
Review/Discussion Questions.....	64
Lesson 6: Working with Repeats.....	65
The Repeat Text Style	66
Using the Repeat Text Style to Create a Playback Map.....	66
Repeat Barlines.....	73
Adding Start Repeat and End Repeat Barlines.....	73
Repeat Ending Lines	75
Adding First and Second Ending Lines	75
Review/Discussion Questions.....	77
Lesson 7: Creating Chord Symbols	79
Chord Symbol Engraving Rules	80
Appearance.....	81
Suffix Elements.....	81
Parentheses	81
Chord Symbol Engraving Rules.....	81
Inputting Chord Symbols.....	82
Using Your MIDI Keyboard to Input Chord Symbols	83
Transposing Chord Symbols	84
Additional Chord Symbol Features Found in the Ribbon.....	84
Review/Discussion Questions.....	85
Lesson 8: Inputting Lyrics.....	87
Understanding Lyric Engraving Rules.....	88
Simple Lyric Input: Typing Lyrics into Sibelius.....	89
Editing Lyrics.....	90
Lyric Text Styles	90
Selecting a Line of Lyrics (or Other Text).....	91
Filtering Lyrics.....	91
Adjusting the Appearance of Lyrics	93
Pasting Lyrics into Sibelius From a Text File.....	93
Troubles You May Face When Pasting Lyrics	94
Paste Lyrics from Clipboard	95
Importing Lyrics into Sibelius From a Text File.....	96
What Sibelius Does for You When Importing Lyrics.....	96
Review/Discussion Questions.....	97

Lesson 9: Changing Notehead Types	99
About Noteheads	100
Changing Noteheads	100
To Reapply the Previously Selected Notehead Change.....	101
Stemless Rhythmic Slashes	101
Review/Discussion Questions.....	102
Exercise 1: Creating a Lead Sheet	103
Part II: Sibelius Fundamentals II, Day Two	107
Lesson 10: Multiple Voices	109
Reminders About Multiple Voices.....	110
Adding Voice 2 (Review).....	110
Positioning & Hiding Rests in Multiple Voices.....	111
Adding Up to Four Voices per Staff	112
Inputting Voice 3 and Voice 4.....	112
The Order of Voices, 1–4.....	112
Navigating Between Voices	112
Assigning Text to Multiple Voices.....	112
Inputting Dynamic Markings into Multiple Voices	113
Assigning Text and Other Objects to a Specific Voice	113
The All Voice	113
Selecting and Filtering Multiple Voices.....	113
Copying, Pasting & Swapping Multiple Voices	114
Single-Voice Copy/Paste	114
Copying from One Voice and Pasting into Another Voice Using the Paste into Voice Command.....	114
Copying from One Voice and Pasting into Another Manually	116
Offsetting Pasted Voices	117
Combining Voices	118
Separating Notes Into Different Voices	118
Review/Discussion Questions.....	121
Lesson 11: Hide/Show	123
About Hidden Objects	124
The Possibilities of Hide/Show	124
How to Hide and Show an Object.....	124
Hiding Notes in Specific Voices.....	125
Hiding Dynamic Markings.....	125
What Do Hidden Objects Look Like When They Print?.....	125
Review/Discussion Questions.....	126

Lesson 12: Reduce, Explode, and Arrange	127
Reduce.....	128
Reduction Results.....	129
Reduce Feature Limitation.....	130
Explode.....	130
Exploding into Existing Staves.....	132
Arrange.....	134
Review/Discussion Questions.....	137
Lesson 13: Editing Instruments	139
Edit Instruments.....	140
The Edit Instruments Dialog.....	140
The Edit Instrument Window (for Individual Instruments).....	142
Edit Staff Type.....	143
Review/Discussion Questions.....	144
Lesson 14: Instrument Changes	145
What Is an Instrument Change?.....	146
Creating an Instrument Change.....	146
Moving and Deleting Instrument Changes.....	148
Creating a Staff with No Staff Lines (Intro to Graphic Notation).....	149
Alternate Ways to Input Instrument Changes.....	150
Review/Discussion Questions.....	151
Lesson 15: Drum Mapping and Notation	153
Unpitched Percussion Staves and Drum Mapping.....	154
Drum Mapping.....	154
Default Drum Map.....	156
Notating Drum Set Parts in Sibelius.....	156
Drum Notation Schools of Thought.....	156
Basic Drum Set Notation Theory (This Author’s Opinion).....	156
Alphanumeric Note Input Using the QWERTY Keyboard.....	157
Step-Time Note Input Using the MIDI Keyboard.....	158
It Takes Practice!.....	159
Review/Discussion Questions.....	160
Lesson 16: Importing MIDI Files	161
What Is MIDI?.....	162
What Are MIDI Files?.....	162
How to Import a MIDI File.....	162
The Open MIDI File Dialog.....	163
Notation Settings for Refractions.mid.....	165
After the MIDI File Opens in Sibelius.....	165
Review/Discussion Questions.....	166

Lesson 17: The Worksheet Creator	167
The Worksheet Creator.....	168
Accessing the Worksheet Creator	168
Navigating the Worksheet Creator	169
Page #1	169
Page #2.....	170
Main Category Page (Page #3)	171
Secondary Category Page (Page #4).....	171
Worksheets Page (List of Available Worksheets)	172
Worksheet Preview Page	173
Helpful Plug-ins for MIDI Files and Flexi-Time Input	174
Opening Standard Repertoire from Within the Worksheet Creator.....	175
Review/Discussion Questions.....	176
Lesson 18: Transformations	177
Preparing Your Worksheet Creator File for Arrangement.....	178
Transformations.....	178
Retrograde (Pitches and/or Rhythms).....	178
Invert (Pitches).....	179
More.....	179
Note Values: Double and Halve.....	181
Additional Ways to Transform.....	182
Add Simple Harmony	182
Add Drum Pattern	183
Add Drum Pattern Options.....	184
Review/Discussion Questions.....	185
Lesson 19: The Ideas Panel	187
What Is an Idea?	188
The Ideas Panel Interface.....	188
Title Bar	188
Search Bar	189
The Libraries.....	189
The Ideas.....	189
The Button Bar on the Ideas Panel	190
Capture Idea	190
Copy Idea.....	190
Paste Idea	190
Edit Idea	191
Edit Idea Info.....	191
Delete.....	192
Add to Score Ideas.....	192
Add to Library.....	192
Detailed View.....	192

Ideas Panel Preferences.....	193
Finishing Your Arrangement.....	193
Review/Discussion Questions.....	194
Lesson 20: Quick Layout and Formatting.....	195
Document Setup.....	196
Size (Page Size).....	196
Margins (Page Margins).....	196
Staff Size.....	197
Orientation (Page Orientation).....	198
Review/Discussion Questions.....	200
Lesson 21: Exporting Options.....	201
Prior to Exporting: Edit Score Info	202
Export Options.....	202
Exporting a Score’s Audio Performance (Export > Audio).....	202
Exporting a Score as a Video (Export > Video).....	203
Exporting to PDF (Export > PDF).....	204
Exporting as a Graphic (Export > Graphics).....	205
Exporting to Avid Scorch (Export > Avid Scorch).....	205
Exporting to MusicXML (Export > MusicXML).....	206
Exporting as a MIDI File (Export > MIDI)	206
Exporting to a Previous Version of Sibelius (Export > Previous Version).....	207
Exporting as a Manuscript Paper (Export > Manuscript Paper)	207
Review/Discussion Questions.....	208
Lesson 22: Sharing Options.....	209
Send Using Email.....	210
Publish to Score Exchange	210
Sibelius Cloud Sharing.....	210
Updating Changes to a Shared Score	212
Managing Your Shared Scores.....	212
How to Share Your Scores with Others	212
The Sibelius Viewer and Sound.....	212
Review/Discussion Questions.....	213
Conclusion: Sibelius 110 Completion and Exam	215
The SIB 110 User Certification Exam.....	215
Exam Format.....	215
Exam Administration	215
Avid Account.....	215
Enabling Students for the Exam	215
Taking the Exam	216
Exam Attempts and Passing Grades.....	217
Certificate of Completion.....	217

Appendix A: Barlines and Endings.....	219
Appendix B: Chord Symbols & Lyrics.....	221
Appendix C: The Default Drum Map.....	225
Index.....	227
